

Upcoming Events:

April 24th: Conservation project at Canaveral National Seashore from 9am-noon at the Eddy Creek Pavilion (between parking lots 7&8). Boys Life magazine will be in attendance taking pictures. For a chance for their picture to be in the magazine, Scouts must be in their yellow T-shirts. Adults and sibs are strongly encouraged to wear their yellows, as well.

May 1st: Scout Show at UCF Stadium. More than 7,000 Scouts from Central Florida are expected to be in attendance. Booth volunteers still needed.

May 2nd: Calendar meeting for School Year 2010-2011. 3pm at the Scout Hut. All major events for the year will be put on the calendar at this meeting. All are welcome!

May 8th: Carwash at Advance Discount Auto Parts on Rt. 50 from 9am until 2pm. Pancake Breakfast originally scheduled for this day postponed due to scheduling conflict. Proceeds from the carwash will go towards the purchase of a trailer for Pack 370. The trailer will be used to transport goods to our Pack camping trips.

May 15th: Lagrange Community Church in North Titusville, 9:30am. In recognition of Armed Services Day, 245 flags will be placed on the graves of soldiers who served the United States from the War of 1812 up through Desert Storm. Pack 370 will accompany Troop 370 in a flag-raising ceremony before the flag placing. This event is held in cooperation with the North Brevard Heritage Foundation and is open to the public. (Boys to wear their Blue uniforms, leaders in BSA shirts.)

May 18th: Next Pack meeting.

June 12th: End of year picnic at Fox Lake Park. This picnic will be a heritage potluck. More details TBA.

Welcome to Janice Tobin, our newly elected Pack Secretary.

The summer is rapidly approaching and thoughts are turning to lazy days in the sun. Just remember, Cub Scouting is a year-round activity. Even though we are not as active in the summer, keep in mind that we will continue to have at least one Pack outing each month. Attendance at these events is encouraged because the Pack can earn the National Summertime Award based on a percentage of Pack attendance. Look for more announcements regarding summer activities in the near future. If you have not been receiving emails from Matt Mills (Cubmaster) or Melinda Theofanous (Committee Chair) on a regular basis, please ensure that we have the correct contact information for you on file. Thanks!

Wednesday, May 12th at 6:30pm at the Scout Hut will be a recruitment night for students at both of our feeder schools to come check out what Pack 370 is all about! Please wear your yellow T-shirts to school that day to show your pride in being a part of Pack 370! If you are willing to participate in helping out that night, please contact Matt (cubmaster@pack370.org) for additional information. Thank you and have a great month!
