

Can you believe that this is the last Pack Meeting of the school year?!?! I am so proud of our Pack for their participation in the Armed Forces Day activity at the cemetery last weekend, they looked and sounded great. The North Brevard Heritage Association was very grateful for our participation. I'm looking forward to the upcoming end-of-year picnic and we have been hard at work planning to take Pack 370 to a new level in the next school year. If you have looked at the calendar on the website (pack370.org, if you hadn't heard), you'll see that we have 5 camping opportunities next year! We have already booked Moss Park for February and Forever Florida Eco-Safari for next April! It's going to be awesome! We will be dialing it back a little bit for the summer, but we still have a few fun events for everyone to participate in, please come on out and join us!

Finally this month, Annette Carroll from the Troop is asking for some help with the Boy Scouts upcoming yard sale on the weekend of June 4th and 5th from 8-3 in front of Sears at the Searstown Mall. She is asking for any and all canopies or rectangular tables (labeled with your name) that folks can spare so that the boys don't have to stand out in the sun all day and they have places to put their wares. If you can help them out, please contact Annette at 298-8290 or 385-1655 if you can help. Thanks!

Dates to remember:

May 24th at Sonny's BBQ on Route 50 from 5-9pm. Come out and support the Pack at Sonny's proceeds night! 10% of your check will be donated directly to the Pack! This applies to carry-out, drive-thru and eat-in! Tell the cashier when you pay (so we get credit)! Tell your friends! Tell your neighbors! Tell the strangers you meet out the way into the restaurant! Drag them in kicking and screaming! Well, don't go that far, but spread the word! This is an easy and potentially very successful fundraising effort for the Pack, plus you get to eat ribs! Or salad! Or one of everything! Did I tell you 10% went directly to the Pack?!?!

June 12th at Fox Lake Park, 3-6pm is our year-end Pack picnic. This picnic will be a "heritage potluck". For those of you that have an interesting or fun ethnic dish that you would be willing to share with the group, please feel free to bring it along. It would be especially great if you would also get up and talk about your heritage a little bit, as well. I'd like to see how diverse Pack 370 really is!

July 17th at Space Coast Stadium, Pack 370 will be attending a Brevard Manatees baseball game! Tickets will be available for purchase for \$3.50/person. If you would like to attend, please contact Matt Mills (cubmaster@pack370.org) by July 9th at the absolute latest.

July 23rd at Orlando Speedworld, Scout night at the races! Scouts in uniform get in free, Scout families and friends get in for \$3/each.

August 28th at Fox Lake Park (location subject to change), 3-6pm is our back to the Pack picnic event. This is where the boys get together for the beginning of the school year and reconnect and also where we greet new families joining our Pack!

I'm starting a pilot program for contacting the Pack that I invite you to join. I have started a Yahoo! Group for Pack 370 called pack370news (search for Yahoo! Groups on your favorite search engine and then search for pack370news on Yahoo! Groups). It has been pointed out to me on more than one occasion this year that we don't have everyone's email address. By signing up for this service, you will never miss an email again. And what's even better is that you have the ability to send emails to the whole Pack simply by sending an email to pack370news@yahoo.com! Please contact me at matt.mills@earthlnk.net if you have trouble signing up for this service. We will continue to send out group emails for the rest of the summer but would like to switch over 100% to the Yahoo! Group around the beginning of next school year.
